Learn about FLL, FTC with Live Demonstrations

Watch a FRC Full Tournament

FIRST Robotics Challenge

Watch a 30 TEAM HIGH SCHOOL FIRST ROBOTICS CHALLENGE TOURNAMENT sponsored by: CORI

FIRST LEGO League and FIRST TECH Challenge

We are looking for any FTC or FLL teams that are interested in participating.

Open practice field from 10:00 am to 2:00 pm

There will be an FLL scrimmage as well as an FTC arena available for any interested teams.

"Nature's Fury" FLL scrimmage 11:00 am to 1:00 pm or as long as we have teams interested

FLL Teams learn more about how to apply for a patent and the FLL Global Innovation Awards.

We have a work shop for you at 2:00

Boy Scout Merit Badge - Alex Stout has volunteered his time to work with Boy Scouts on their Robotics Merit Badge during the competition.

The session will take place as 2:00 pm. If you have students that are interested, they can find out more information and register for the session at: <http://tinyurl.com/robotcori>.

Dublin Robotics Booster will be hosting FRC CORI Invitational.

FRC competition runs from 9:00 am to 3:00 PM. Awards at 4:00

We are also looking for any individuals or teams who are interested in showcasing their creations. This can include any build that is built using Tetrix, Matrix, NXT, or EV3 platforms. Bring anything that you've built or are currently working on. This demo/meetup is designed to build a network of likeminded people and strengthen youth robotics.

Please direct any inquiries to Travis Sperry at director@mathplusacademy.com or Cynthia Bryden at cjbryden@wowway.com
