Girl Scouts of Ohio's Heartland is proud to bring back STEMfest!

Learn about different types of Engineering through challenges, exercises, and games, and meet a professional Engineer who will share her story and talk about her job.

Fee covers lunch and supplies for the day, and all participants who are not currently registered will become members of Girl Scouts. All members will be able to participate in other great Girl Scout activities throughout the year including a reduced price (\$30) for our two future STEMfests on January 12 and February 17 in 2015!

This is a teacher work day, so school is out—register early before it fills up!

Non-members, please use the form attached. Current members can register online through CORA.
